GIVING BACK EACH YEAR MAKES A TREMENDOUS DIFFERENCE

For the past ten years, generous SKD donors have supported Catholic education. Your support of the SKD Annual Fund is critical to our school's future and our commitment to our mission.

As St. Katharine Drexel Catholic School works to provide our students with a strong moral foundation instilled with integrity, compassion, and respect, we continually look to expand the academic, fine arts, technology, and support programs so our students will succeed in the ever changing world and workplace in which they live.

NO GIFT is too small.
